STATE ROUTE 210 CONSTRUCTION WILL REQUIRE A LONG TERM CLOSURE OF CAJON BOULEVARD IN SAN BERNARDINO

State Route 210 will require the intermittent long term closure of Cajon Boulevard in San Bernardino. Construction crews are working on freeway bridge construction between Medical Center Drive and Hancock Avenue through late 2006.

Motorists will be detoured using California Street to eastbound Highland Avenue, then to northbound Medical Center Drive and back onto Cajon. Detour signs are in place to direct drivers through the area. Please see detour map below.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
